

I hope you all enjoyed a good Christmas however it was spent.

Whilst planning what you will be doing in January 2015, please put in your diary - if you haven't already done so - the dates of

January 22, 23 and 24 to come and watch the world premier of a new script of **CINDERELLA.**

April Cook's witty script means that a fun time is to be had by both cast and audience and keeps to the traditional family-friendly format. The cast includes some familiar Bottisham Players' faces with the addition of 2 or 3 welcome newcomers to the group in named roles.

April is directing the production assisted by Val Quy (on whose behalf this email is being sent).

Front of House helpers are urgently needed to provide a friendly welcome to the audiences. Please contact me if you can offer help for any of the performances so that a rota can be compiled.

The timings are 6.45 pm onwards each evening and also 1.30 pm onwards on Saturday 24th. Provided we have enough people, duties can be combined with watching most of the show as well if you can only spare one session. Alternatively leaving after the interval would also be fine. **All offers will be most welcome!**

General News

At the AGM in November there was a change to the Management Committee due to 2 people choosing to resign at the end of their tenure. The Committee now comprises:

Chairman: Chris Clarke
Treasurer: Trevor Kartupelis
Minutes Secretary: Ann Meade
Membership Secretary: Val Quy
General Committee members -
April Cook
Anita Lang
Grahame Radford

The Committee would welcome ideas for 2015 productions so please contact one of the current committee (but if necessary I would be happy to pass these on).

Very best wishes for a happy and healthy 2015 and hope to see you during Cinderella - in one capacity or another.

Rosemary

Bottisham Players Committee
